LASTING TIES

EXCELLENT GRIP

Fibers and construction used gives an excellent grip, making the knots more resilient, reducing untighting issues.

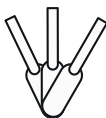

MULTIPLE SIZES

Two different sizes available in stock, 90cm and 120cm. Different sizes can be custom-made.

INBUILT TIPS

Inbuilt fabric tips are strong enough and can be reinforced with available finishings: silicone or aglets for an extra look and customization.

MULTI-COLOR LACES

Two base colors (WHITE or BLACK) and a variety of top colors, allowing original combinations.
